psci v { r: the american presidential election ... - the paper is expected to demonstrate a good understanding of the assigned book for that debate, summarize the central points in the written submissions by each team, and provide an overview of the main themes in the oral segment of the debate. **the separation of powers** - typically, the separation of powers refers to montequeiu's version of the three main institutions of state, though this is often complicated by different layers of authority, such as the supranational commission, council, parliament and courts of the european union. **a g r v income inequality's impact on mass attitude ...** - a first-time observer of american politics might hastily dismiss as bold words that are uttered with the intent of rallying supporters, lacking a substantive attitudinal foundation and referring, possibly, to an attempt to impeach a very **muted women in american political discourse: quieting the ...** - muted women in american political discourse 3 abstract this study examines the way women are denied an equal voice in american politics through disparities in our language structure and overt sexism. **the social construction of emotions** - aspect of human knowledge and understanding. again, this is not to equate again, this is not to equate emotion and cognition, nor to reduce emotion to cognition. **understanding geopolitics - islamic university of science ...** - blouet, brian w. (2001), geopolitics and globalization in the twentieth century, reaktion books: london cohen, saul b. (2003), geopolitics of the world system, rowman and littlefield: lanham **t e c oer oel o: n i r v e i n c a s** - being centrifuged around american politics and forms of media belies a major shift that is underway; a shift that begins in earnest in the early 1900s and which is still largely off of the american radar. it is a shift that, indeed, reflects some heightened concern, as will be explored in this paper, but the larger pattern is still apparently yet to be taken seriously. this is the literal ... **trumponomics in post-industrial america: understanding the ...** - the preponderance of the discussion of chinese import competition in understanding american deindustrialization ignores the other components that lend to the shrinking manufacturing sector. although chinese import competition of the last two decades has been shown to dampen the competitiveness of american exports (baily and lawrence, 2004; mckinnon, 2013; autor et al, 2015), specific research ...
